Are you growing older, but not up? Feel like shooting six holes in your freezer by November? Still trying to reason with the hurricane season? Got a bartender ear and a beachcomber style? If any of these describe you, our club is for you. Keep in mind that member participation is necessary for the club to be a great one.

The Chesapeake Parrot Head Club is a group of sun and fun-loving people in the Chesapeake Bay area dedicated to sharing their love of life, performing community service, and having fun! If being a Parrot Head means more to you than just attending Jimmy Buffett concerts, membership in the Chesapeake Parrot Head Club is for you! Plus, you'll get news and information about Jimmy Buffett and the Coral Reefers, concerts, club activities and area Parrot Head flockings in the club's newsletter, the *Chesapeake Telegraph*.

You can join as a single or a family. We also offer business memberships to area businesses that are Parrot Head friendly.

We are the people our parents warned us about! 🎵
